

Mandeville Canyon Road Speed Tables

As you may have read or noticed, the 90-120 day cooperative program of awareness, education, and enforcement began last month. If this program does not result in the critical speed on Mandeville being lowered to 34 miles per hour or less, the speed tables will be installed. Worth noting is that if the speed tables themselves don't lower the critical speed to 34 miles per hour or less they will be removed.

The bottom line: during the summer months we will be voting for or against speed tables with our gas pedals, so please be aware of your speed in the canyon.

Boeckmann Property Update

Things are moving ahead with the Boeckman property which should close escrow in the fall. Thanks again to everyone who helped make this goal a reality. Look for more updates in future newsletters.

Fire Danger

Another hot summer ahead after a very dry winter means that fire risk will remain high. Please clear brush on your property, and if you see anyone smoking in the hills ask them to put it out. Contact us if you would like more information on fire safety or brush clearance.

brentwood-hills.org update

Earlier this year, BHHA established a new web site. We have added quite a few items since the last newsletter, so please come have a look, say hello, and offer any suggestions or criticisms that you think would make the site more useful.

Board of Directors Elections

The nominating committee for the upcoming election of directors for the board of BHHA was formed at our last meeting. There are five seats up for election, and if you would like to nominate someone (including yourself) the requirements are that you be a fiscally current resident. The deadline for nominations is July 30th, so if you would like to participate, please make sure that your membership is paid up to date. The current slate of candidates are the incumbent directors: Karen Colbert, Loretta Ditlow, Judy Handler, Randy Sherman, and Tina Slutsky. Please contact us by July 30th to make a nomination, to check your membership status, or if you have any other questions.

Save the Date

Our annual meeting will be held this year on Sunday, September 17 at 3:30pm. At press time the location is not set, but it will probably be at the Pesquera Drive cul-de-sac once again. We will look forward to seeing you there, and another reminder will be sent when we get closer to the date.

Thank You, Jane and Beverly

We would like to express our gratitude to former directors Jane Callahan and Beverly Ribarich for their years of service to our organization and community.
